

KRISHNA ENGINEERING COLLEGE

Organized by E-Cell

“No to China”

Chinese Goods Replacement Competition is an event organized to promote **Local India Vocal & Entrepreneurship**. Objective of this event is to make students aware about Chinese goods. Motivate students to make similar products or substitute of those products. It will strengthen the mission of our Prime minister Atma Nirbhar Abhiyaan. It will also encourage students to use Indian Products. The objective and method of competition will be announced on the spot.

Event Details

In this event students need to identify Chinese goods in their homes. Click an individual picture of every item. Write the name of the product on the picture. Upload picture on facebook – Tag Krishna Engineering College & #Notochina
